Current research project for my PhD:

2017-

Title of the Project: People living with HIV/AIDS: Quality of life, oral manifestations and salivary biomarkers

Directors: Professor Mohamed Chakroun (Infectious Diseases) and Professor Mohamed Fadhel Najjar (Biochemistry and Toxicology)

Current position:

- November 2003: Professor of Medical Microbiology-Immunology, Faculty of Dental Medicine, Monastir, Tunisia
- September 1996- : Clinician in Restorative Dentistry-Endodontics, Teaching Dental Clinic of Monastir, Tunisia
- September 2013-: Clinician in Dental Medicine, Teaching Hospital of F. Bourguiba, Monastir, Tunisia

Education:

- 2016- : Certificate of Medical Pedagogy, Faculty of Medicine, Monastir,

Tunisia. **Subject:** Evaluation of Third-Year Dental Students' Attitudes towards Microbiology teaching. Mention "Excellent" (10-05-2016)

Director: Professor Kamel Ben Salem (Faculty of Medicine)

- 2014-: Certificate in Medical English, Faculty of Medicine, Monastir, Tunisia

- April-June 1997: Diploma in Immunology: Pasteur Institute, Paris XV, France

- 1993-1994: Master of Microbial Ecology, Microorganisms Pathogenesis and infective agents: Faculty of Pharmacy, Chatenay-Malabry, Paris XII, France

Subject: Resistance of *Enterococcus* to Lincosamides

Director: Professor Roland Leclercq

-1991-1993: Diploma of Medical and Biological Sciences:

*1992-1993: Cytology-Histology Certificate: Faculty of Medicine, Paris VI, France

*1991-1992: Bacteriology Certificate: Faculty of Medicine, Paris XII, France (Ranked First, in Written exam and Second in the Faculty of Medicine of Créteil, Paris XII, France)

*1991-1992: Virology Certificate: Faculty of Medicine, Paris XII, France. Report "Hepatitis C Virus and Interferon", Henri Mondor University Hospital, Créteil, Paris XII, France

Director: Professor Jean Michel Pawlotsky

-1991: Doctor in Medical Dentistry: **Thesis:** Contribution to the Study of Primary Maxillary Tumors, Department of Oral and Maxillo-facial Surgery, University Hospital of F. Hached, Sousse, Tunisia, Mention "Very Good with Jury's Congratulations"

Directors: Professor Ali Bakir and Professor Habib Khochtali

-1982: Bachelor Degree in Literature (Ranked First)

Training:

- 2005 and 2012: Medical Pedagogy, Faculty of Dental Medicine, Monastir, Tunisia

- 2009: Restorative Dentistry and Endodontics, Bretonneau Hospital, Paris XIII, France (1 month, Pr. Jean Jacques Lasfargue)

- 1991-1994: Laboratory Bacteriology-Virology-Hygiene, Henri Mondor University Hospital, Créteil, Paris XII, France

- 1993: Laboratory of Oral Histology, Faculty of Dental Medicine, Mont Rouge, (1 month)

- 1996-2002: Department of Oral and Maxillo-Facial Surgery, F. Hached University Hospital, Sousse, Tunisia,

-1991: Laboratory of Bacteriology-Virology, University Hospital of F. Hached, Sousse, Tunisia, (8 months)

-1990: Department of Restorative Dentistry and Endodontics, Dental Clinic of Monastir, Tunisia,

Professional Titles

-November 2004: Professor of Microbiology-Immunology, Faculty of Dental Medicine, Monastir, Tunisia,

-November 1999: Associate Professor of Microbiology-Immunology, Faculty of Dental Medicine, Monastir, Tunisia, (Ranked First)

- July 1996: Speciality in Microbiology, Faculty of Dental Medicine, Monastir, Tunisia,

- November 1996: Assistant Professor in Microbiology,

Teaching Experience:

- 2012- : Microbiology-Immunology, Faculty of Dental Medicine, Monastir, Tunisia (3rd Level)

- 1996-2011: Microbiology, Faculty of Dental Medicine, Monastir, Tunisia (3rd Level)

- 1998-2002: Assistant Professor: Courses in Dental Histopathology (4th Level)

- 1997-2002: Laboratory work: Oral Histology (2nd Level)

- 1996-1997: Part-time Assistant Professor: Microbiology, Faculty of Medicine, Ibn El Jazzar, Sousse, Tunisia

Clinical Experience:

-2013-: Clinical Mentor for undergraduate students: 6th Level, Restorative Dentistry-Endodontics, F. Bourguiba University Hospital, Monastir, Tunisia

- 2013: Department of Paediatric Dentistry (6 months), Dental Clinic of Monastir, Tunisia

-2013-: Restorative Dentistry-Endodontics, F. Bourguiba University Hospital, Monastir, Tunisia

-1996-2013: Practitioner at the Department of Restorative Dentistry-Endodontics

-1996-2013: Clinical Mentor for undergraduate students: 4th, 5th and 6th level, Department of Restorative Dentistry-Endodontics, Dental Clinic of Monastir, Tunisia

-1996-2013: Clinical Mentor for postgraduate students, Department of Restorative Dentistry-Endodontics, Dental Clinic of Monastir, Tunisia

Main clinical and Research Topics

Endodontics

Dental Traumatology

Patients with special Needs (Relation between Oral Health and Systemic Diseases)

Antibiotic Resistance

Infectious Diseases

Supervision of Thesis for the Degree of Doctor in Dental Medicine (In French and English languages):

Ongoing Studies

2018-2019

*Amira Menai

Outcome of 107 odontogenic cellulitis: a 5-year retrospective study

*Ines Moussaoui

Regenerative Endodontics: PRP/PRF: A systematic review of the literature

*Laith Glissa

Histopathology Distribution of Oral Lesions: a 7-year retrospective study

*Wadie Zaghdoud

Prevalence and reasons for Permanent Teeth Extraction in a Tunisian Population: a prospective study

*Douaa Khissi

Radiation-induced dental caries: Review of the literature

Original Studies

-2016

*Zeineb Akrouf

Prevalence of Dental Caries and Associated Pathologies Related to the Impaction of the Third Mandibular Molar: a study about 804 clinical files.

-2014

*Nedra Guedri

Prevalence of Dental Caries, Apical Periodontitis and Alveolar Bone Resorption in Type 2 Diabetic Patients: A-Case Control Study

*Marwa Ghidhaoui: (10-06-2014)

Prevalence of Infectious Foci in High Risk Cardiac Patients: A-Case Control Study (To be Published)

-2012

*Bechir Annabi

Antibiotic Prophylaxis, Cardiac Diseases and Endodontic Treatment: A Survey About 250 Dentists and 40 Cardiologists

*Fatma Sahnoun

Radiological Assessment of Fixed Prosthesis: A Survey About 40 patients (10-06-2012)

-2011

*Hela Ben Mustapha

Oral Health of 150 Pregnant Patients: A Clinical Survey (15-02-2011)

*Ridha Jbir and Monia Daous

Susceptibility Profile of Bacteria Isolated From Cellulites of Dental Origin (2010)

-2007

*Menal Bouabid

Dental Treatment of Patients Undergoing Haemodialysis: A questionnaire of 120 dentists (2007)

*Amani Ben Mrad

Dental Treatment of Hypertensive Patients: A Questionnaire of 120 dentists

-2008

*Asma Ksouri

The Role of Histopathology in the Diagnosis of Periapical Lesions of Endodontic Origin

-2007

*Hayben Rezgui

Treatments of Diabetic Patients in the Department of Restorative Dentistry-Endodontics (2007)

-2005

*Hamza Ghassen

Treatment of Cardiac Patients at Infectious and or Hemorrhagic Risk in the Department of Restorative Dentistry-Endodontics (20-12-2005)

-2002

*Mohamed Khouadja

Treatment of Irradiated Patients for Head and Neck Cancers in the Department of Restorative Dentistry-Endodontics (26-10-2002)

-1999

*Omar Ben Souda

Clinical, Bacteriological and Therapeutic Features of 174 Cellulites of Dental Origin
(Published)

Clinical Reports and Review of the Literature

-2015

*Nour El Houda Zorgui

Idiopathic Apical Root Resorption: Clinical, Radiological and Biological Investigations
A Case Report and Systematic Review of the Literature (In English, 20-02-2015)

-2014

*Mohamed Ben Zekri

Should we Endodontically Treat Permanent Teeth with Post-Traumatic Pulp Obliterations:
Clinical Reports and Review of the Literature?. (20-02-2014)

-2013

*Mouna Moussaoui

Post-Traumatic Root Fractures: Clinical Cases and Review of the Literature

*Rahma Rahmani

The Cracked Tooth Syndrome (29-04-2013)

*Mejda Janah

Marfan Syndrome: Two Case Reports (05-06-2013)

-2010

*Sonia Hadj Abdallah

Complex Treatment of a Dento-Alveolar Trauma in a 15-Year-old patient (17-07-2010)

*Mehdi Mohsen Aouani

Treatment of Iatrogenic Perforations of Endodontic Origin (2010)

-2009

*Ines Mimouna Baccour

Post-traumatic Root Resorptions: Three case Reports (13-07-2009)

*Ghada Mahjoub

Dens Invaginatus

*Anis Abdelkefi

Luxation of Permanent Teeth (2008)

*Rached A. Chebbo

Periapical Actinomycosis: Two Case Reports (2007)

2003

*Dorra Mallek

Bioclinical Features of the Chronic Periapical Lesion: Granuloma and Cyst (21-06-2013)

*Imed Trabelsi

Opened or Closed Tooth in Endodontics ?. (10-06-2003)

2002

Hatem Matoussi

Treatment of Traumatized Teeth in the Department of Restorative Dentistry-Endodontics (13-04-2002)

-2001

*Souheila Smaoui

Salivary Tests and dental caries (23-06-2001)

Reviews

-2013

*Imen Sellem

Antimicrobials, Endodontic Drugs, Microorganisms and tooth discoloration (21-06-2013)

-2004

*Adil Bounnafaa

The Mature Dental Enamel (24-01-2004)

-2002

*Ridha Hamraoui

Biological and Clinical Features of Pulp Inflammation (16-03-2002)

-2001

*Hajer Bdiri

Microbiological Tests in Periodontology (14-07-2001)

-1999

*Slim Bouzidi

The Decayed Coronal Dentin (25-02-1999)

Master Degree

-2015

*Fehmi Hamdane

Hepatitis C Virus in Dentistry: A systematic review of the Literature

Jury Member and Organizer of National and International Competitions for Young Students

- **IADS:** International Association of Dental Students

8 March 2014: (President): 10th Lecture Contest (International Oral Competition for Young Students). IADS Mid-Year Meeting, Sousse, Tunisia.

SENAME (The South European North African Middle Eastern Implantology and Modern Dentistry Society)

27-29 September 2013: International Oral Competition: Young Podium (President), Yasmine Hammamet, Tunisia

-TUNISIA-IADR

-16-17 November 2018: Tunisia IADR Sixth Annual Meeting: Oral competition for Postgraduate Students: Selection of Students to participate to the IADR Unilever Hatton Competition & Awards (Vancouver, Canada 2019)

-10-11 November 2017: Tunisia IADR Fifth Annual Meeting (Member): Oral competition for Postgraduate Students: Selection of Students to participate to the IADR Unilever Hatton Competition & Awards (London 2018)

-13-14 November 2015: Tunisia IADR third Annual Meeting (Member): Oral competition for Postgraduate Students: Selection of Students to participate to the IADR Unilever Hatton Competition & Awards (Seoul 2016)

-25-28 June 2014: The 92nd General Session & Exhibition of the IADR in conjunction with the IADR Africa/Middle East Regional (AMER) Meeting, in Cape Town, South Africa.

Tunisia IADR Second Annual Meeting

-15-16 November 2013: Tunisia IADR First Annual Meeting (Member): Oral competition for Postgraduate Students: Selection of Students to participate to the IADR Unilever Hatton Competition & Awards (Cape Town, South Africa, 2014)

25 April 2012: Oral Competition for Postgraduate Students (President), Monastir, Tunisia

03 November 2012: Oral Competition for Postgraduate Students (President), Monastir, Tunisia

Research Activity

2014-

Involved in the International Dental Research Program: **SCORE** (Standing Committee On Research and Education, IADS)

2014-

Member of the "Dental Students' Research" Journal Advisory Board (**DSR**)

2012-

Founder of the Training Oral Sessions for Students

Supervision of Undergraduate Research in the Faculty of Dental Medicine (Tunisia-IADR)

2008-

Founder of the staffs meetings about “Oral Medicine and Medicine: The Bilateral Relationship”

Memberships of Societies and Scientific Organizations

-2013-

Member of the Tunisian Society of Infectious Diseases

- 2012-

Member of The International Association of Dental Research (IADR). Current President of the Tunisian Section

-2012-

Member Founder, Secretary and Treasurer of The IADR Tunisian Section (Tunisia-IADR)

2011-

Member of the Tunisian Society of Oral and Maxillofacial Surgery

2011-

Member of The International Association of Dental Traumatology (IADT)

-1998-2003

Member of the Pasteur Institute Former Students, Paris, France

Ongoing Training and Workshops for General Dentists and Students

2005-

Endodontics

Dental Traumatology

Patients with Special Needs

Antibiotics

Infectious Diseases

Oral Oncology and Immunity

Dentists Recommended to Study Abroad

* Fatma Masmoudi: USA

*Sahbi Damak: Japan

*Sabrine Hamdi: Atlanta (USA) Fullbright scholarship

*Haithem Ben Amara: Seoul, Korea

*Marwa Ghidhaoui, Lyon, France

*Imen Sallem: Seoul, Korea
